Larceny-Theft	6,286,119	8,383
Motor Vehicle Theft	786,367	2,094
5 Year Average Crime Rates	United States	Tacoma
Robbery per 100,000	124.89	274.63
Burglary per 100,000	704.42	1441.28
Larceny-Theft per 100,000	2033.16	4204.48
Motor Vehicle Theft per 100,000	254.34	1049.99

Benefits of PredPol

Prevention

- Overarching goal
- Long term crime reduction
- Blocking criminal opportunities

Strategic

- Near right time, right place
- Increases chance of arrest
- Decreases call response time
- Identifying potential offenders and developing intelligence through FIRs

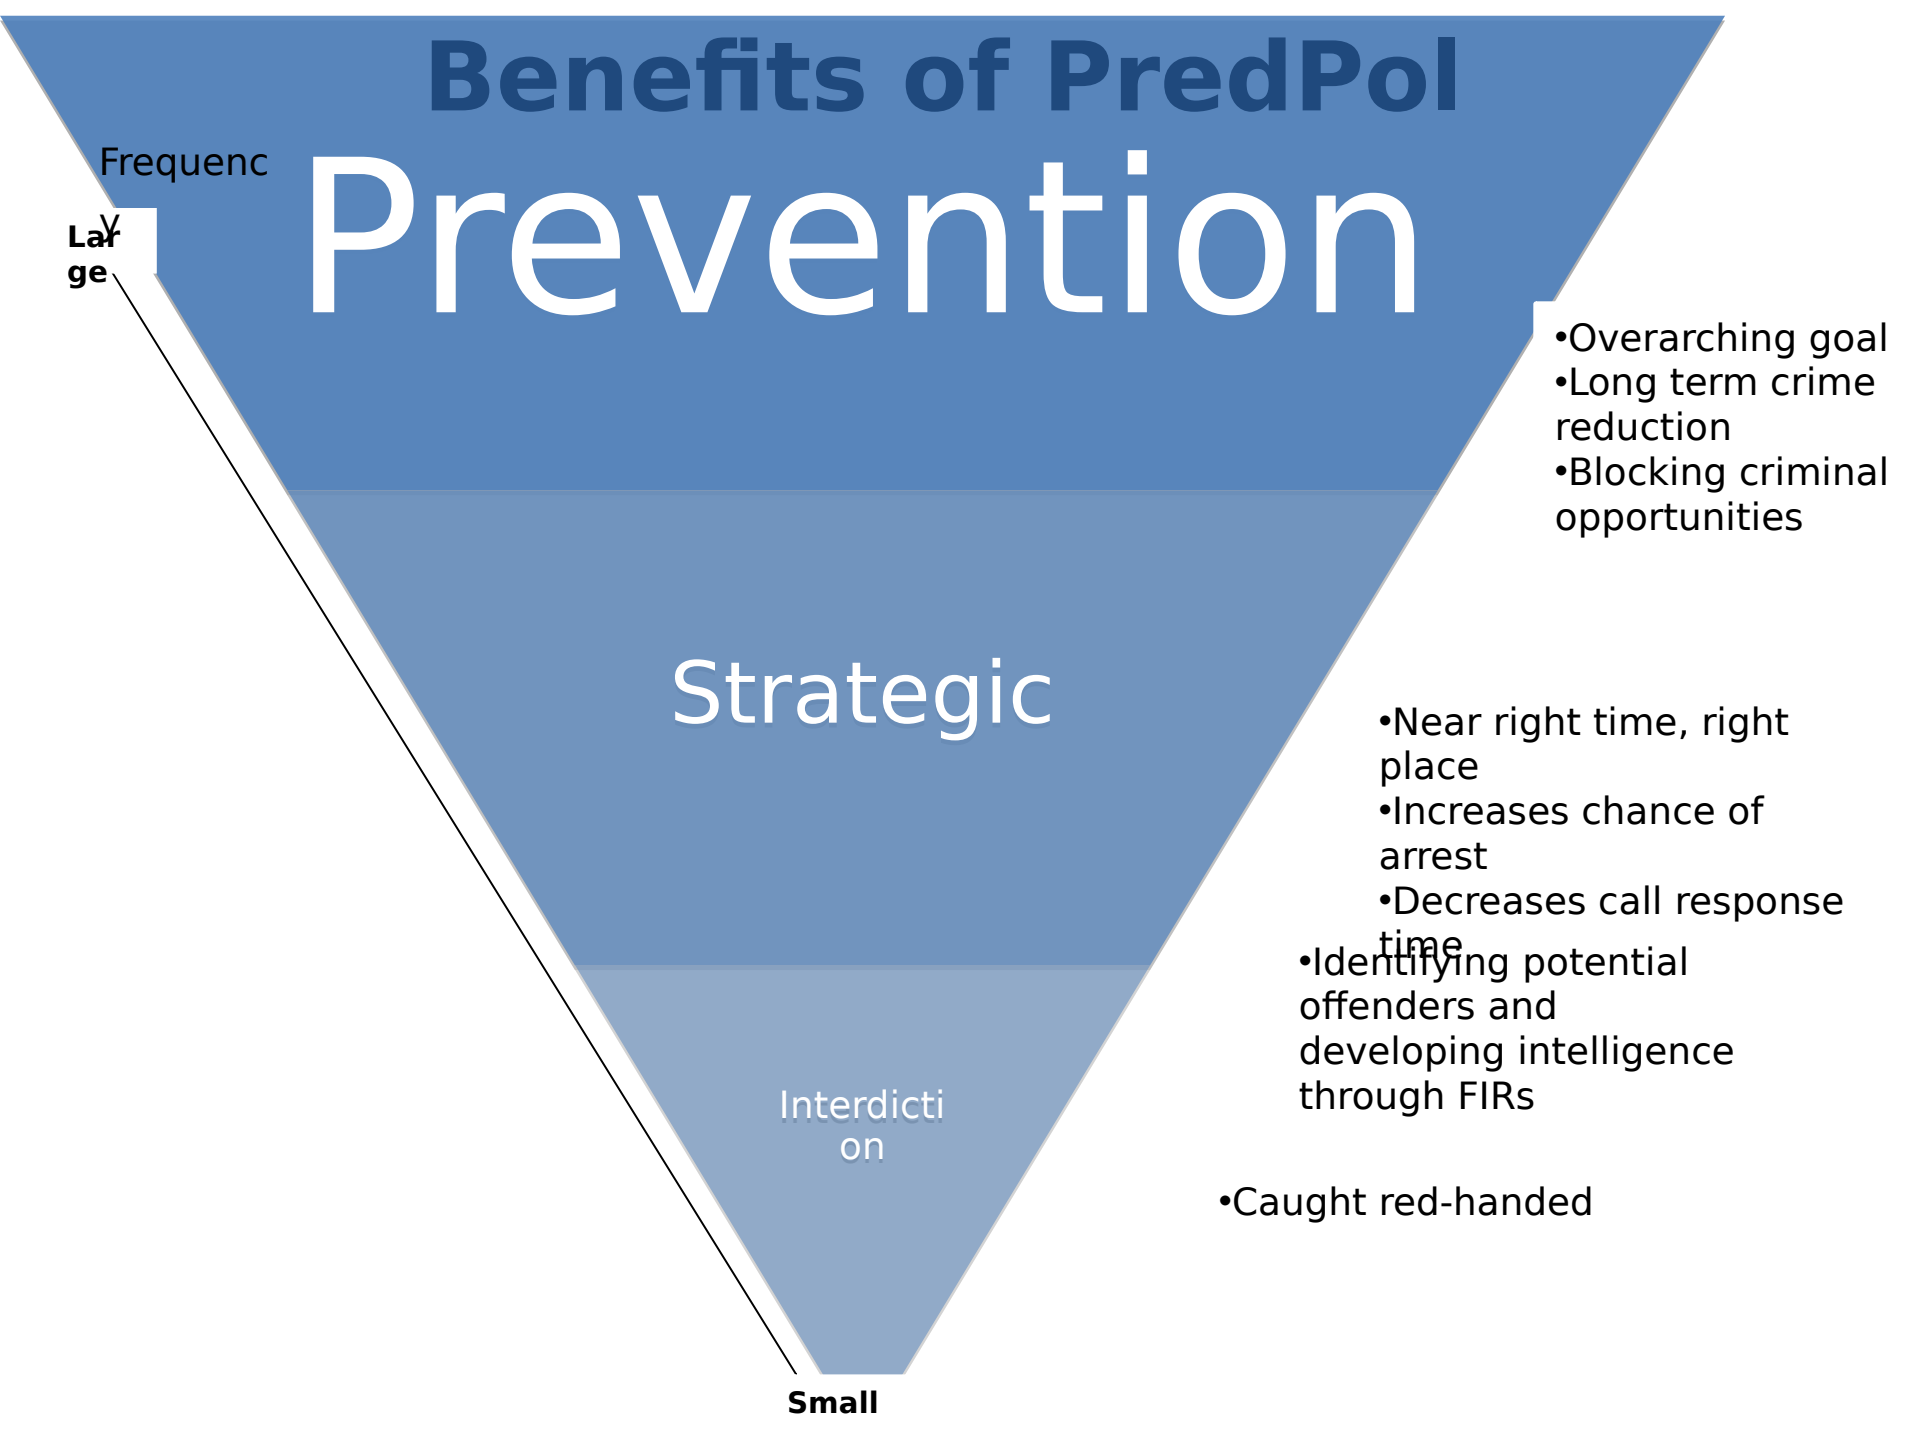

Interdiction

- Caught red-handed

Small

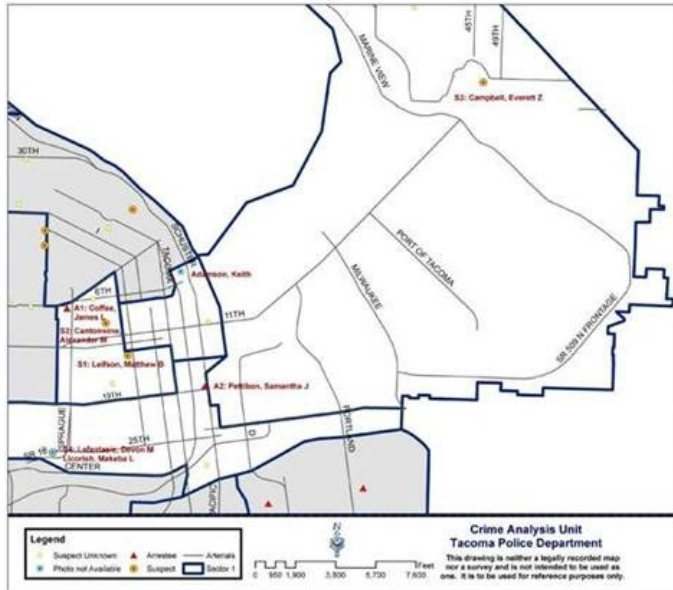

Frequent

Large

Level of Effort increases likelihood of Interdiction

PredPol vs Hotspots

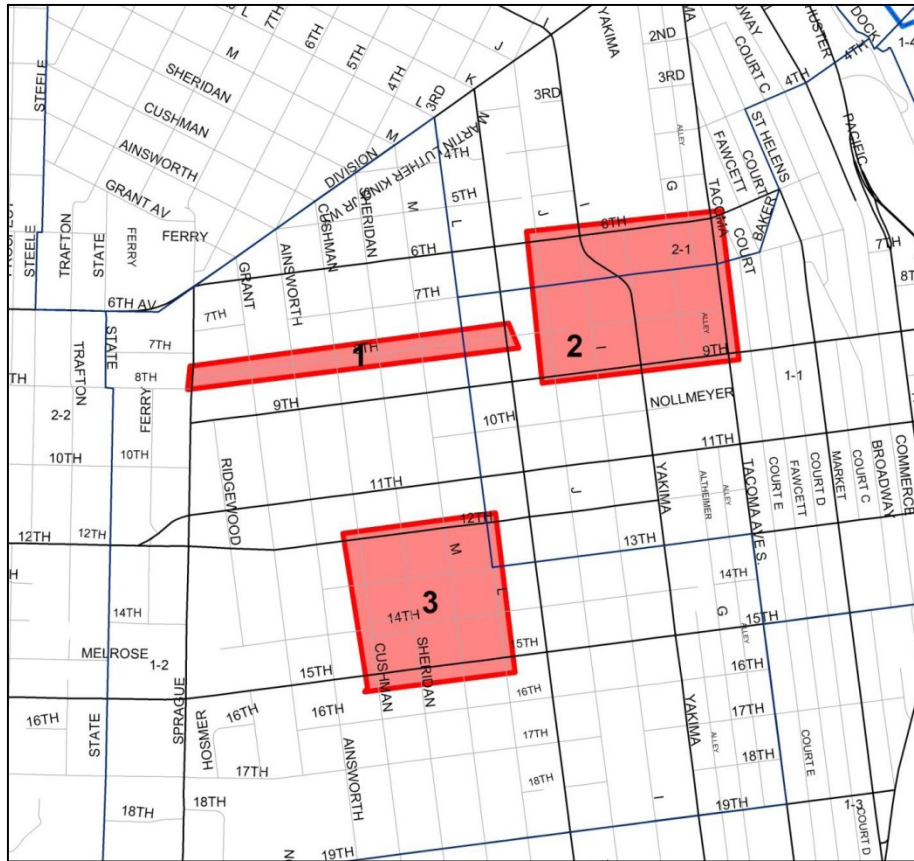

- PredPol is an analytical improvement, not proactive police work
- PredPol is 2.5x more accurate than hotspots
- Increased tactical clarity with user interface than hotspots

TPD Place-based Policing Examples

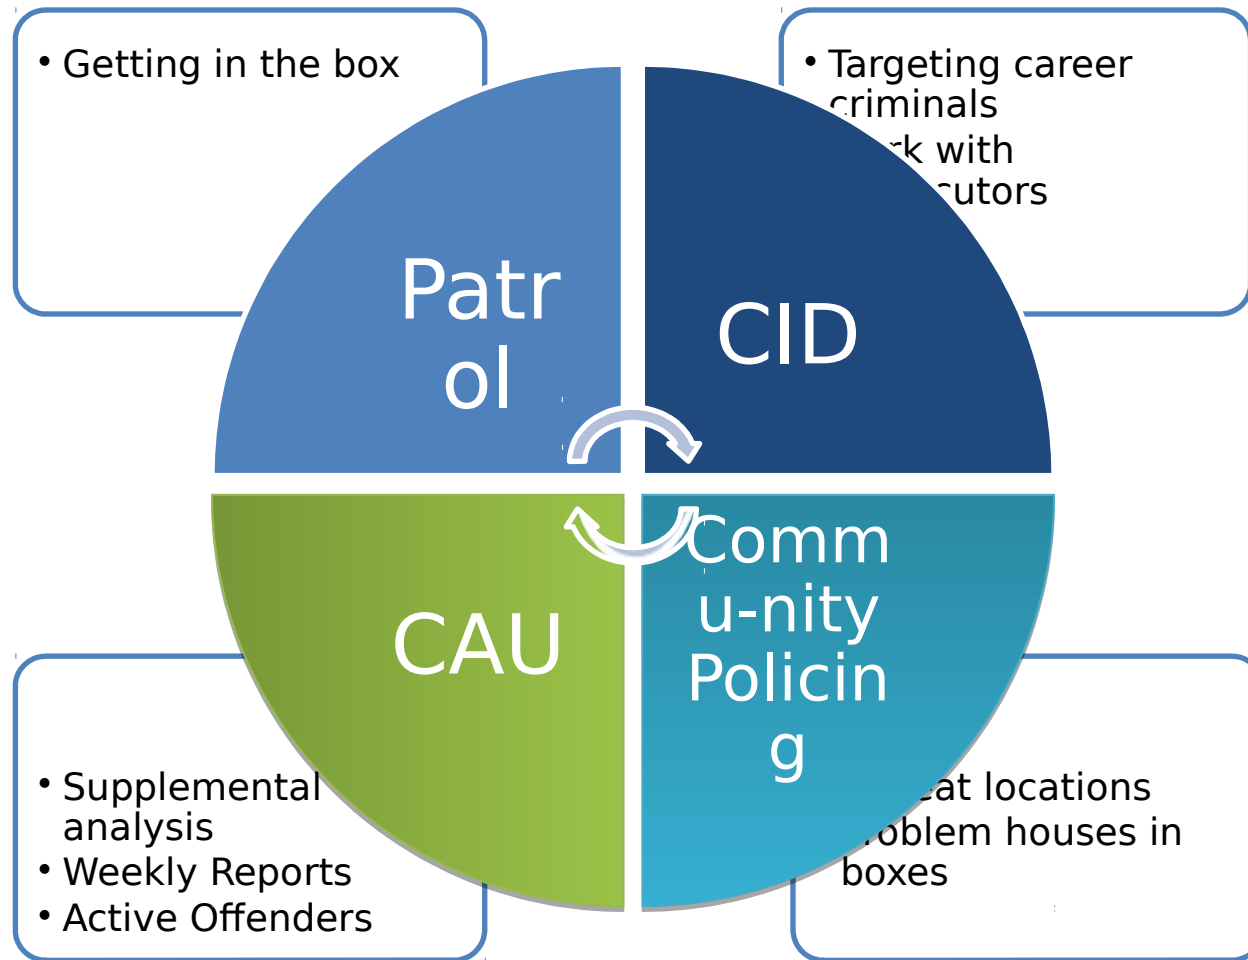

Sector 1 Hotspot Project

Holiday Mall Area Vehicle Prowl Emphasis

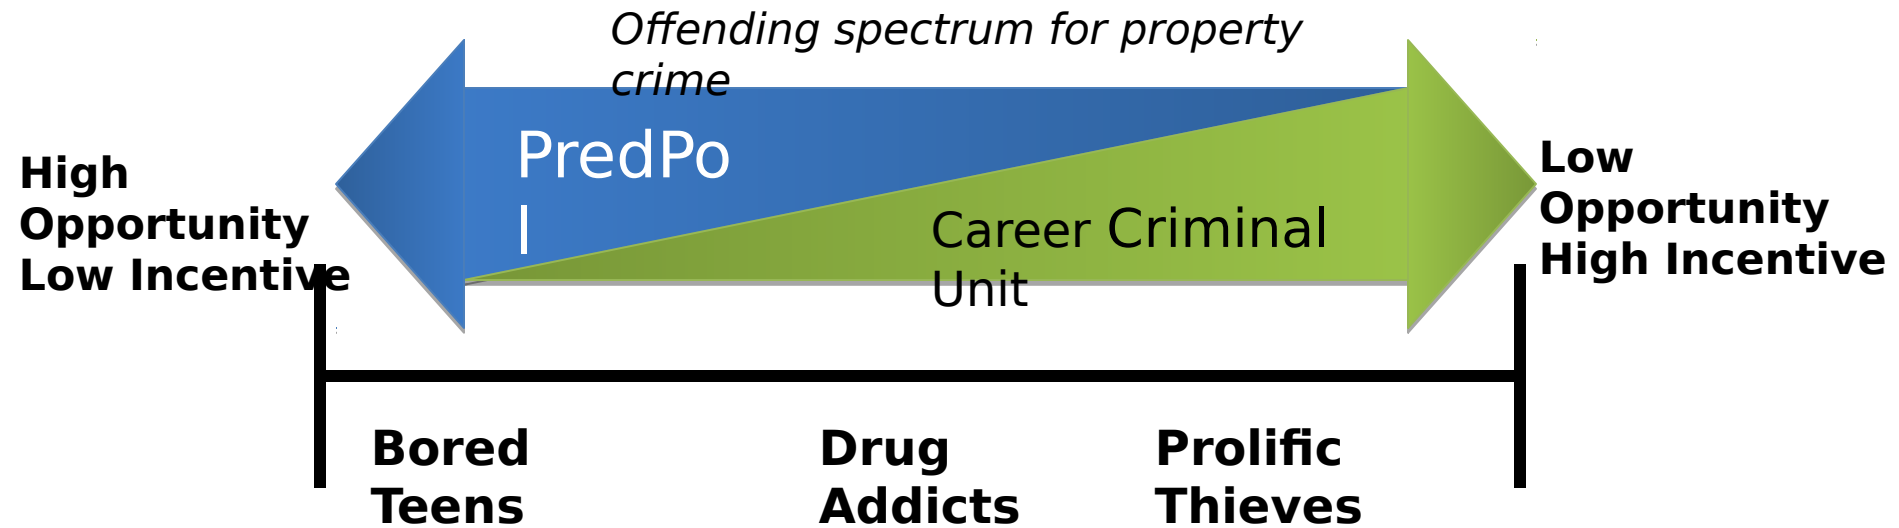

Holistic Approach

Property Crime Prevention

policing the risk = reducing the opportunity

PredPol

- **is NOT:**
 - a replacement for knowledge, skills & experience
 - profiling of individuals
 - probable cause
 - new hardware or new hires
- **IS:**
 - assigning probabilities of crime in space and time
 - focal points for effective use of police resources

What PredPol means for you...

- Rule of Thumb: 6 times in box for 10 mins
- Dispatch still priority
- Don't ignore other places you know are high crime
- Use Incident Mapping and supplement with CAU reports
- Don't be glued to box boundaries, draw from your experience

Additional PredPol information

- Go to Crime Analysis page on CobWeb under Administrative Services Bureau
